Dear Sir/Madam,

We are pleased to inform you that the CSIR-National Physical Laboratory (NPL) is celebrating the Open Day on Wednesday, 4 October 2023. On this occasion, CSIR- NPL will open its doors to College and School (preferably class 8 to 12) students to explore the state-of-the-art experimental facilities of the laboratory and various research fields. NPL looks forward to receiving your Science and/or Engineering students (preferably not more than 50) along with Science faculty (not more than 5) on Wednesday, 4 October 2023. The laboratory will be open from 09:30 AM to 12:00 noon for visits by students and faculties.

The objective of the CSIR-NPL OPEN DAY is to provide exposure to young minds and other visitors to the ongoing scientific and technological work being carried out at the CSIR-NPL. It is the National Metrology Institute of India and is one of the leading science and research laboratories of the country. It is also one of the leading centers of excellence in developing and applying the most accurate standards of length, mass, time, voltage, current etc. Our facilities are very sophisticated and state of the art for all kinds of measurements in science, quantum physics, engineering, materials, electronics, environmental science and others. There will be various scientific models and exhibits on display along with the audio-visual shows on the scientific activities of the laboratory. We are sure that your students and faculties would find the visit to CSIR-NPL very interesting, inspiring and highly motivating.
