

## Minutes of Pre-bid conference for Electron Beam Lithography System

08.08.2023

The Pre-Bid conference meeting was held on 08/08/2023 (Tuesday) through the MS team link (online) at 12 PM to finalize the specifications of the Electron Beam Lithography (EBL) System. The meeting was organized under the chairmanship of Dr. H. K. Singh, Chief Scientist and the following members were present.

| Sr. No. | Name                               | Role              |
|---------|------------------------------------|-------------------|
| 1.      | Dr. H.K. Singh                     | Chairman          |
| 2.      | Dr. Anjana Dogra                   | Scientific member |
| 3.      | Dr. Subhendu S. Sarkar, SSPL Delhi | External Expert   |
| 4.      | Dr. Sudhir Husale                  | Domain Expert     |
| 5.      | Dr. Ajeet Kumar                    | Domain Expert     |
| 6.      | Dr. Sunil Singh Kushvaha           | Indentor          |

Two firms participated in the pre-bid conference meeting in online mode.

Mr. Abhyudey Sharma (Edgetech Scientific Pvt. Ltd) attended the meeting on behalf of Crestec Corporation, Japan, and showed concern about the comprehensive warranty period. Mr. Masum Khan (Raith India) attended the meeting on behalf of Raith GmbH, Germany. All firms participated in the technical discussion thoroughly and none of the firms has issues with the tendered technical specification. The TSC unanimously agreed that no further changes in the technical specifications and warranty clauses are needed.

The chairman briefed the respected companies' representatives and invited them to bid. The purchase section is kindly requested to do the needful.
